

**Vista Partners Initiates Coverage on Emission & Power Solutions, Plc. (EPI.F, EPI:GR) with €3.02 Price Target**

SAN FRANCISCO, CA (December 2, 2009) — Vista Partners announced today that it has initiated coverage on Emission & Power Solutions, Plc with a one year price target of €3.02. Zachary Cave, a Senior Analyst at Vista Partners stated, "The Company has the ability to ramp revenues quickly and we believe investors will be handsomely rewarded by purchasing shares of EPS at the current valuation. They will be investing on the "ground floor" of a business that has the opportunity not only to revolutionize emission and engine efficiency but to protect the environment as well."
