To Whom it May Concern:

We are a Public School in Willow River and have tested three school busses with the Fuel FX diesel reactor.

Bus 14: Cummins 359, 5.9 liter 2001 Freightliner  
13% increase in mileage

Bus 9: Caterpillar 3116, 1997 Chevrolet  
53.46% increase in mileage

Bus 10: International 466, 1999 International  
16% increase in mileage

We were very impressed with the results of this test

Sincerely,

Vic Kliniski  
Transportation Supervisor
