

# Magnuson Moss Warranty Act

Following is the reference for the federal law that prohibits OEM's from voiding warranties due to the use of aftermarket or by-pass systems.

## **MAGNUSON MOSS WARRANTY ACT**

### **US Code - Title 15, Chapter 50, Sections 2301-2312**

Legally, a vehicle manufacturer cannot void the warranty on a vehicle due to an aftermarket part unless they can prove that the aftermarket part caused or contributed to the failure in the vehicle (per the Magnuson Moss Warranty Act (15 U.S.C. 2302(C)) . For best results, consider working with performance-oriented dealerships with a proven history of working with customers. If your vehicle manufacturer fails to honor emission/warranty claims, contact EPA at (202) 260-2080 or [www.epa.gov](http://www.epa.gov). If federal warranty protection is denied, contact the FTC at (202) 326-3128 or [www.ftc.gov](http://www.ftc.gov).

Please feel free to contact us if you have any questions.
